GRADING and PRE-SEASON TRAINING

This season will see a new Pre-Season Training and Grading format for all age groups. Grading will no longer take place on a single Sunday afternoon in February. Instead we are replacing grading with Squad training based on Age Groups which will be held on weekday afternoons throughout February.

We are implementing this change to bring us inline with Association standards and also in response to feedback in regard to our grading and training policies. The new format is designed to provide a fairer systems that supports and mentors both players and volunteers.

Pre-season training/grading commences the week of 5th, 6th and 7th of February for all competition age groups.

Pre-season training/grading commences the week of 11th of February for all MiniRoo age groups.

See website for pre-season training locations and times

MiniRoos (U6 to U11)

This season the MiniRoos Skills Clinic will be open to all MiniRoos players. This season the MiniRoos Skills Clinic will focus on both pre-season skills training and grading. The first 3 weeks will be aimed at skills development and the final 2 weeks we will be concentrating on grading of all players.

Clinic based Pre-Season Training and Grading dates and times will be published on the Mount Colah Colts Website.

Junior Competition (U12 to U18)

This season we will be conducting Pre-Season Training and Grading throughout February for all age groups. Pre-Season Training and Grading will commence in the first week of February. All age groups will be training in squad format throughout February on a weekday afternoon. Grading of players will take place during the preseason training period. This will allow us to see and work with players over many sessions to determine the best grade and team for each player.

Pre-Season Training and Grading dates and times will be published on the Mount Colah Colts Website.

Senior Competition

Senior teams will squad train throughout February as usual.

SEASON TRAINING

Season training will commence in March following Pre-Season Training and Grading. This season our training format is changing in order to bring about improvements and a better experience for players, coaches and managers.

All teams in an age group will train at the same time and day at the same location. This new format is aimed at providing Players with a better and more consistent Football experience. It also allows us to better support our Coaches and Managers and also allows them to collaborate and work together. In summary this new format will provide the following:

- Allows for both team and squad training within an age group.
- Allows for consistent development of player skills within an age group
- Allows greater collaboration of Coaches and Managers in an age group and allows for sharing of knowledge
- Allows the for introduction of mentoring programmes for our Coaches and Managers
- It also allows us to organise themed training events and guests for whole age groups

All these improvements equal a better experience and more fun for our Players, Coaches and Managers.

We are implementing this change to bring us inline with Association standards and also in response to feedback in regard to our grading and training policies. The new format is designed to provide an improved training experience that supports and mentors both players and volunteers.

- MiniRoo teams and age groups will train on Tuesday or Thursday afternoons at Foxglove Oval.
- Junior Competition teams and age groups will train on Tuesday or Thursday evenings at Foxglove Oval.

You may also be called upon to assist in the Club canteens and Club BBQs.

CANTEENS

Canteens at Foxglove Oval and Berry Park are supervised and stocked by our Canteen Coordinator. Each canteen will be staffed by 2 permanent workers (16 years or older) who will be paid a small honorarium. People interested in working in these canteens should email canteen@mtcolahfc.org.au

Funds raised by the canteens assist MCFC in maintaining a low fee structure.

The Canteen at Parklands is supervised, stocked and run by our senior competition teams.

Please consider whether you would be able to help the Club by being a manager or coach. Contact your Age Convenor to enquire. There will be an information night for managers and coaches before the start of the season. *All coaches, managers and convenors are expected to attend.*

If you are willing to help but have not had experience as a coach or manager, we will provide information and assistance. Free coaching courses will be held early 2019. Contact coaching@mtcolahfc.org.au for details.
